ABOUT ME

Enthusiastic Front-End Developer (Fresher) skilled in HTML, CSS, JavaScript, with a passion for building responsive and user-centric web applications. Eager to apply technical skills and creativity to real-world projects while continuously learning and growing.

WORK EXPERIENCE

RIKUN MANUFACTURING PRIVATE LTD   *2023-2025*

IT-Support

Results-driven IT Support Specialist with over 2 Years of hands-on experience providing technical assistance, troubleshooting hardware and software issues, and maintaining enterprise IT systems across diverse environments. Proven ability to diagnose problems efficiently, implement effective solutions, and deliver outstanding end-user support to minimize downtime and optimize productivity.
Skilled in Windows, and Linux operating systems, with expertise in Microsoft 365, Active Directory, networking fundamentals, and remote support tools. Strong communication skills with a customer-first mindset, capable of translating complex technical issues into clear, user-friendly terms. Adept at working independently and in team-based environments, often under tight deadlines. Committed to continuous learning and staying updated on emerging technologies to provide proactive support and strategic IT improvements.
